Re: Application by Verizon New England and Verizon Delaware for Authorization to Provide In-Region, InterLATA Services in New Hampshire and Delaware, Docket 02-157

Dear Ms. Dortch:

On Tuesday, August 13, 2002, David Levy, Catherine Pitts, Mike Boyles and the undersigned, all representing AT&T, had a telephone conversation with Victoria Schlesinger of the Wireline Competition Bureau's Pricing Policy Division. The purpose of this conversation was to discuss AT&T's arguments regarding Verizon's misallocation of "getting started" costs in the minute of use rate element for New Hampshire. The issues raised were consistent with AT&T's written submissions in the above-referenced proceeding.

One electronic copy of this Notice is being submitted to the Secretary of the FCC in accordance with Section 1.1206 of the Commission's rules.

Sincerely,

A handwritten signature in cursive script that reads "Amy L. Alvarez".
